2 bedroom apartment in Méribel with 70 sqm

In the Rond-Point des Pistes district of Méribel is the apartment. It enjoys one of the best locations in Méribel: close by shops at once and with the advantage of the ski room which is situated only 50 metres away from the nearest slope.

The apartment has two double rooms ensuite, ideal for a stay in the mountains with your family. The kitchen opens onto the living room and allows you to fully enjoy the living space. The interior is mainly made of wood. The choice of furniture and colours give a modern apartment that represents the Alpine identity. The presence of the fireplace in the living room brings warmth and makes it an ideal place to relax, with hot chocolate in hand, while watching the snow falls in the company of your family.

On the 5th floor of the residence, the view is bound to be breathtaking on the Méribel ski slopes. From your room, contemplating the sunrise, you can prepare the ski itinerary of your day.

The residence offers a wellness area to its residents, nothing better than to end your skiing day with a visit to the hammam or the sauna.

To make your stay even more enjoyable, many tailor-made services are available.
