## Apartment for rent in Courchevel 1550 Village, with 134 sqm and 3 bedrooms

Staying in an apartment and feeling as comfortable as in a chalet is the asset of the new residence. Built on the model of a mountain hamlet in Courchevel Village, it benefits from a ski in/ski out location, facing the Grangettes cable car.

The apartment is part of this program with a strong mountain identity and quality finishings. On the top floor of the residence, this apartment offers two double bedrooms, one of which is ensuite, a children's bedroom with two single beds, and an independent bathroom. The living space offers beautiful open volumes up to the roof. The living room with fireplace, the dining room and the independent kitchen make the most of the available space, while offering multiple views of the alpine peaks. The natural materials - wood, stone cladding, woolly textiles - contribute to the intimate and chic atmosphere.

Beyond this unique atmosphere, the apartment will seduce you with its ski in/ski out location and 150m from the shops and restaurants of Courchevel Village. On the tip of your skis: the 3 Valleys area will invite you to explore the slopes of Courchevel, Méribel and Val Thorens without limits. And at après-ski time, you can dive into the Aquamotion, Courchevel's new aqualudic area.
