An exceptional destination, Courchevel is one of the ski resorts of Les 3 Vallées – the world's largest ski area – offering 600km of ski runs, all groomed, maintained and safe.

Situated at 1,550m of altitude, Le Hameau de Marcandou enjoys the tranquility and facilities of Courchevel Village, yet with a rapid and direct access to Courchevel 1850 and to the whole 3 Vallées ski area.

Chalet located in Courchevel Village at 290 meters from the resort centre and at 400 meters from the Snow front.

Chalet promises a journey full of surprises. It takes its Greenlandic name from the unusual affinity that links us to this Arctic country, its breathtaking landscapes and its many revelations. Chalet can accommodate 10 to 14 guests with 5 en-suite bedrooms.

FANTASTIC AND EXCEPTIONAL ARCHITECTURAL VOLUMES

With its 400 m2 of living space on 3 levels, chalet embodies the dream and the unexpected.

From the outside, you will witness the telescoping of two elegant forms: A clear-cut meeting of the traditional Swiss chalet and an eminent contemporary construction. The sensational combination of black wood, friezes and picturesque ornaments with a sober, modern architecture whose fine lines of light wood are punctuated by large openings. This harmonious diptych is bound together by a foundation of dry stone.

Inside, each door opens onto a new set of emotions and gives you an instant feeling of grandeur. The phenomenal perspectives respond to the impressive dimensions of the rooms.

The 45 m2 living room, the dining room and the semi-professional kitchen are ideal for sharing and intimate moments with family and friends. At the table, around the bar or by the fire, the refined and warm atmosphere of this large space is enriched by our unconditional love for contemporary art and crafts. Sumptuous materials, traditional coverings and harmonious colours are combined with elegant designer furnishings.

A unique comfort combined with originality and good humour with a selection of unusual objects found around the world. From room to room, the play of perspectives, imaginary landscapes, green scenes and other oversized prints parade with enchantment in this elegant and warm atmosphere.

Whether it is for your future gourmet evenings or a desire for more confidential evenings, with the chalet, luxury and enchantment won't fail to enhance your special moments.
