A true haven of peace in the heart of one of the largest ski areas in the world, the 3 Valleys, the chalet, located on the edge of the hamlet of Raffort, nestles at the foot of the sparkling slopes of the Saulire. Built on three levels, this chalet with a total surface area of 300 m2 allows 14 people to come and share unforgettable moments of relaxation and conviviality. After a day spent hiking in the mountains, take your shoes off on the terrace at the foot of the Raffort piste and share a delicious Savoyard fondue around the large traditional farm table in the kitchen. The cosy lounge, with its many comfortable seats and central stone and wood fireplace, is perfect for cosy evenings spent chatting in the flickering light of the flames. The jacuzzi is the ultimate place to relax, opening onto the terrace and offering a breathtaking view of the immaculate landscape. On the first floor, the four double bedrooms, each with its own bathroom, tastefully combine chic and rusticity: Savoyard doors, balcony equipped with sunbathing areas, bathtubs or Italian showers, warmly coloured household linen: all the elements are combined to offer you the most restful sleep. On the top floor, two adorable bedrooms under the slopes will welcome children who, snug under their cosy duvets, will fall asleep with a view of the Saulire. A place of relaxation and tranquillity in the heart of the lively resort of Méribel, the Chalet will allow all lovers of calm and authenticity to meet up with family or friends for unforgettable moments.
